Please note:

- Staff at the programs are not able to accept a child until the enrolment forms have been submitted online and the child has been booked into the program.
- Parents are responsible for ensuring that details and authorisations on the enrolment form are kept current, you can do this by supplying any change of information to the service for them to update.
- Families will be emailed a copy of the family handbook and venue information sheet and reminded both documents can be found onsite at the venue or on our website yballarat.org.au

Orientation Visit

To ensure both child and family feel settled and supported within our Y service we encourage an orientation visit is completed prior to the child's first paid day of attendance with any of our OSHC programs. This is where the child's enrolment form will be reviewed by the service educator to ensure all required asthma, medical management plans, court orders and medical diagnosis letters have been provided. This visit also provides families an opportunity to ask any additional questions which may have arisen.

Children with Medical Conditions

To best support children with medical conditions, there is a plan which an educator will need to complete as part of the child's enrolment. This must be done in consultation with the family, so you may receive a phone call, or it may be requested that you attend a meeting prior to any bookings being made. *A copy of the letter of diagnosis from the medical practitioner will also need to be provided at the orientation visit at the service.

Children with Additional Needs

To best support children with additional needs, we require on enrolment a copy of the medical diagnosis (if applicable). Prior to bookings being made, OSHC educators will work with families on the orientation visit to develop an individual inclusion plan as part of the child's enrolment. The purpose of the plan is to ensure the child's needs and abilities are discussed and recorded, including agreed strategies for educators to implement to support the child's needs.

Children with Specific Care Needs

Respect for diversity is very important at the Y, and to ensure that these needs are met with the knowledge and respect they deserve, staff may contact families prior to bookings being made in order to discuss additional care needs which do not fall into the above categories, such as specific cultural practices, family beliefs or personal lifestyle choices. This may take place over the phone, or a meeting may be requested.

Please note: Educators at the programs legally cannot accept a child into their program until the enrolment and orientation process documented above has been completed. Parents are responsible for ensuring that all contact details and authorisations on the enrolment form are always kept current.

Bookings

Permanent - (BSC AND ASC)

A permanent booking is defined as a child booked to attend the service on the same day/s each week. We follow the Victorian School Holidays and Term dates, if your child is going to be absent on a end of term day, you are still required to give the 5 days notice via email to have a discounted fee applied.

Please refer to the Cancellation section of this handbook for information relating to changing or cancelling permanent bookings. Permanent bookings require payment via direct debit only. Please refer to the direct debit schedule underneath the direct debit heading below.

Casual - (BSC and ASC)

Casual bookings are days that do not fall into a regular weekly pattern. These bookings can be made via Your Home App up until 1pm on the day of requirement. Last minute bookings will be dependent on available spaces directly communicated with the service.

Vacation Care Program

Bookings for our Vacation Programs open three weeks prior to the commencement of the programs. The opening date for each program is advertised on our website, yballarat.org.au, Facebook page and at each service.

Bookings can be made at any time after the opening date through your Home App, however places for these programs fill quickly and it is recommended that family's book early to avoid disappointment.

Bookings for the Vacation program require payment via direct debit only. Please refer to the direct debit schedule on page 24 of this document.

Changes To Booking Arrangements

Before and After School Care

If there is a change to care arrangements made during the school day, it is the family's responsibility to contact both the school general office and the OSHC service prior to 1pm to notify of the change. In the event that a child/ren presents to After School Care and they are not on the attendance list, staff will refer the child to the school office. School staff will contact parents and obtain information as to where the child/ren should be. At this point the duty of care remains in the hands of the school.

In the event that a child/ren present to Before School Care and are not on the attendance list, the service coordinator cannot accept the child's attendance, the duty of care remains in the hands of the parent/guardian who brought the child to the program, the parent/guardian will be refused casual/ unannounced care but will be supported to ensure they understand our required enrolment and booking procedure which need to be followed through your Home app. Rostered staffing and transport are planned and based on permanent numbers of children due to attend. When a child/ren is booked in to travel via the Y transport scheme the following will occur; where a child fails to present at the designated meeting point at their school, the educator on the bus will call the school to check if the child was in attendance that day.

- If confirmed "no", the bus will continue on its usual route.
- If confirmed 'yes' and the child was in attendance, the school will put over an announcement for the child. If the child fails to turn up within five minutes of the bus waiting, it will continue its route and the child will remain in the care of the school who will contact the family to collect the child.

If you are aware of an absence which will affect your permanent booking, a request through your Xplor App for an absence should be submitted at least 5 days prior to the absence to receive the reduced absence fee of 25% of the daily fee (less CCS entitlements).

This will be confirmed via email. This is to allow for any necessary modifications that may be needed to consumable orders and staff requirements. If a medical certificate is supplied within 5 days of absence families will receive the 25% discount to bookings.

To change or cancel a permanent booking an email to the service at least 5 days before the required change needs to be submitted, Once submitted, the change will be processed and families notified of the outcome.

Casual bookings can be removed without charge via the Home App up to 2 business days before the absence.

Vacation Care Programs

A vacation care booking can only be canceled prior to the Monday morning of the first day of the Vacation care program commencing. Once the vacation care program commences there are strictly no refunds or cancellation fees for absences. If for some reason your child/ren cannot attend, please contact the service to notify the staff team.

The only discounted fee to be applied is in the instance of illness and this requires a medical certificate to be provided within 5 days of the booking. The certificate can be submitted to the service.

Signing In and Out

Please note that only individuals identified as a Parent/Guardian or hub guest on a child's enrolment form are authorised to sign them in or out of a service. Written permission must be given for children to be collected by anyone not already identified on the enrolment form. ID may need to be shown upon pick up. ****Under no circumstances will any staff member allow a child to be removed from the service by an unauthorised person.**

Please remember: Only the person who enrolled the child can make changes to the enrolment form and it is solely the responsibility of the parent/guardian to ensure the enrolment authorisations are kept up to date at all times. Aggressive behaviour or interactions towards educators regarding releasing a child to a friend/ relative who is not listed on the authorisations will not be tolerated and will result in cancellation of future bookings.

Before School Care

Children must be signed in upon arrival at program. Educators will sign children out of the service at the end of the before school care session.

After School Care

Educators will sign children in upon arrival at the service. Preps will be collected at an agreed meeting point, discussed prior with the school, by an educator at the end of each school day for the duration of Term 1 only. Programming

Programming

The Y Ballarat OSHC team are committed to providing engaging programs which support each child's needs and interests. Our programs align with the 'My Time, Our Place' Framework for School Age Care in Australia and through this target five developmental outcomes; identity, community, wellbeing, learning and communication.

Our services utilise both indoor and outdoor spaces and use a combination of flexible and structured components in the delivery of their service. We pride ourselves on providing programs that are enjoyable and beneficial for all involved.

Each OSHC service provides a unique experience, with their own philosophy and pedagogy reflective of their staff, children, families, environment, local & school community.

The services' current program and philosophy are on display at each site and we encourage family contribution and feedback at all times.

Staffing

The Y Ballarat Outside School Hours Care programs are licensed by the Department of Education and Training. Our staff hold relevant qualifications in accordance with the Education and Care Services National Act and Regulations. The name of the person responsible for the service (Service Coordinator) will be on display each day at the service. There will always be a minimum of two staff on duty with child to staff ratios implemented at all times as follows: 1:15 children at the service, 1:12 for excursions and 1:5 for water activities.

The Y Ballarat OSHC & Behaviour Guidance

For each program to run smoothly and safely, we expect that all families and children will act in a safe and sensible manner whilst participating in activities at the service and out on excursions in the local community. If educators experience any concerns with a child's behaviour being a potential risk to themselves, to other children and or educators, parents/guardians will be contacted. Depending on the level of risk they may be required to collect their child early or immediately from the service or excursion. Having supportive relationships with the educators supports children to develop confidence in their ability to express themselves, work through differences, learn new things and take calculated risks.

It is important to inform staff at the time of enrolment or orientation if your child requires any assistance with settling or behaviour guidance. This ensures your child is set up to have a successful and positive experience at the program, inclusive of their individual needs. If so, educators will require a meeting time at the service or over the phone to ensure an inclusion plan is developed which documents agreed strategies which are consistent with the child's school and home environment.

Late Collection Policy

When children are collected after closing time, the account holder will incur a late fee. The fee is charged at \$1.00 per minute. CCS cannot be claimed against this amount. If your emergency contacts cannot be reached by 6:30pm, the Police and Child Protection will be contacted, and arrangements will be made for the care of the children. If late collection occurs more than 2 consecutive times your position will be cancelled at the service. Any aggressive or threatening interactions/behavior with educators from parents will not be tolerated and will result in the parent/ guardian having their authorisation to collect from the service cancelled.

Direct Debit

The payment method for all Outside School Hours Care programs is Direct Debit.

Accounts are debited on Tuesdays on a fortnightly basis, depending on your bank processing the payment may affect the day the payment comes out of your account. The amount debited will include bookings for the previous and current week, including the Friday after the Direct Debit is processed. We will debit the amount shown as your outstanding balance in your OSHC account. In the case of a public holiday, the direct debit will occur on the following business day.

Statements can be viewed via the app when accessed by the parent or guardian.

Please Note: Only Primary carers will be able to see financial information

Your Direct Debit Obligations

It is your responsibility to ensure that sufficient funds are available in your account and that you have provided us with correct bank or credit card details. It is your responsibility to let us know if any of these details change.

If the direct debit is declined for any reason you need to be aware of the following.

- A. You will be charged a \$15 administrative fee per occurrence by the Y Ballarat and you may incur bank fees imposed by your financial institution. Debit Success will also apply \$19.95 administration fee.
- B. You must arrange for payment by contacting the Y of Ballarat within 24hrs or 5pm the following business day of receiving an SMS notifying you of the rejected direct debit

- C. You will then receive a suspended SMS. The Y Ballarat will remove future bookings and will only reinstate them when a payment agreement has been entered into and a payment received. Child Care Subsidy

Child Care Subsidy

Childcare Subsidy (CCS) enables families to receive a discount directly off the daily service fee. The amount of subsidy families will receive will be based on three things.

- 1.Their combined family income
- 2.The level of ‘approved’ activity they undertake
- 3.The type of childcare service they use.

If your child attends the service on a: Casual capacity you will need to tick and confirm “Casual” on your myGov. Permanent capacity you will need to tick and confirm “Routine” and “Casual” on your myGov. As Y Ballarat services are approved for CCS, please ensure you provide us with your CRN number and the date of birth of both your child/ren and the parent/guardian who receives CCS. Families will receive their Child Care Subsidy (CCS) off the fee once they approve their booking through their myGov account. It is important that families approve their attendances, as you will not receive or be backdated any CCS for any days that are attended before this approval occurs. Please note that you will need to confirm your enrolment in your myGov account if you have not attended one of our programs in the last 26 weeks, as Centrelink will cease the enrolment due to inactivity. CCS will not be applied if you begin or end your bookings with an absence. Department of Human Services sends our service updated listings via internet connection every day; however, the contract remains between the DHS and individual families. It is therefore your responsibility to notify the DHS of any changes to your income.

Explanation of how CSS Is calculated

CCS is calculated on a per hour basis not the overall fee. Below are the caps for each type of care. Hourly Caps, 2023- 2024

Transaction Fee		
Centre Based Day Care (Long Day Care and Occasional Care)	\$13.73	\$12.02
Outside School Hours Care (Before, After and Vacation Care)	\$13.73	\$12.02

Example: CCS for OSHC is capped at \$12.02 per hour. Most of our services cost \$18 per hour. If a parent receives a rebate of 90% the government withhold 5% of this. This means that the parent then receives 85% of the \$12.02 per hour of care. They are then paying the \$5.98 that is not left over from the ccs deduction per hour.

Additional Child Care Subsidy

Some families may be eligible for an additional subsidy to reduce the overall cost of childcare in an approved service. To get this you must be eligible for Child Care Subsidy, and you need to meet at least one of the following criteria:an eligible grandparent getting an income support payment.

- an eligible grandparent getting an income support payment
- transitioning from certain income support payments to work
- experiencing temporary financial hardship
- caring for a child who is vulnerable or at risk of harm, abuse, or neglect

The Y Ballarat directs all queries regarding grandparent, transitioning and temporary hardship to Services Australia for assessment. The provider may claim on behalf of the family for cases where there is a vulnerable or at-risk child involved. The Y Ballarat collects and documents all required information to support the claim prior to processing the application.

**Medical and
Emergency
Management**

Medical and Emergency Management

Medical Conditions

To ensure quality care for all children, we insist families communicate all medical conditions information applicable to their child. Providing all relevant and required details to ensure educators are informed and know how to cater to the child's medical condition at all times.

A copy of the child's medical management plan signed by the doctor must be provided with their enrolment form. In addition, a Risk Minimisation Plan, which includes a Communication Plan, will be developed by educators in consultation with families prior to booking. Please refer to our 'Medical Conditions in Children's Services', 'Anaphylaxis', 'Asthma', 'Diabetes' and 'Epilepsy' Policies for further information.

Medication

Families are required to sign in all children's medication. Full details, including dosages, times, child's name, doctor's name and expiration date must be provided and staff will co-sign once medication has been administered. Medication must be in its original container, bearing the original label with the name of the child to whom the medication is to be administered and be within its expiry date. All medicines will be kept in a secure location, out of reach of children. Medication is not to be kept in school bags. The medication register can be found when signing children in/out. Please ask one of our staff for assistance. Please refer to our 'Administration of Medication Policy' for further information.

Incident, Illness, Injury and Trauma

All incidents, injuries, illnesses or traumas and the treatment given for these will be recorded on our Incident, Injury, Trauma and Illness Record. Authorised contacts of children may be notified by phone and will be asked to sign the form when collecting the child.

In the case of an emergency, an ambulance will be called, and you will be contacted immediately. Parents are requested to ensure that all contact numbers and contact details on the enrolment form are correct and up to date at all times. If either parent cannot be contacted, emergency contacts will be called. The cost of the ambulance or any medical expenses will be covered by the child's family.

Please refer to our 'Administration of First Aid' and 'Incident, Injury, Trauma and Illness' policies for further information.

Emergency and Evacuation

Individual Emergency Management Plans are in place at each OSHC service. Evacuations and lockdowns will be rehearsed each term with the children at the service. Please refer to our 'Emergency & Evacuation Policy' for further information.

Infectious Disease Exclusion

If the case that any infectious disease occurs at the service, affected child/ren may be excluded for the communicable period of the disease or until they have satisfied conditions to return to the service. This exclusion is necessary for the protection of all children and to reduce the risk of further infection. If a parent reports that their child has contracted a contagious disease the program will put up a notice to advise parents.

Please refer to the latest edition of 'Staying Healthy: Preventing infectious diseases in early childhood education and care services' published by the Australian Government: National Health and Medical Research Council for information on exclusion periods. This document is available from nhmrc.gov.au. You can also refer to our 'Dealing with Infectious Diseases Policy' for more information.

Covid-19 Precautions

Our aim as the Y Ballarat is to keep our staff, volunteers, families, and communities safe by being proactive in implementing and following the most current guidelines around service operations as provided by DHHS and DET. The Y Ballarat commits to ensuring an up-to-date COVID risk assessment and COVID-19 site plan are kept onsite as a working document for staff to refer to and change as required. A copy of both can be located at each service.

**Thank You for choosing
